BACKGROUND

Hunkies Cookies + Coffee is a local cafe in Rizal founded by Mr. Richardson Tiopengco and Ms. Alexandra Gonzales. It started as an online business in April 2022 and grew through social media leading to branches in Taytay and STI Ortigas-Cainta. Known for its specialty cookies and hand-spun coffee, Hunkies offers a cozy, modern cafe experience.

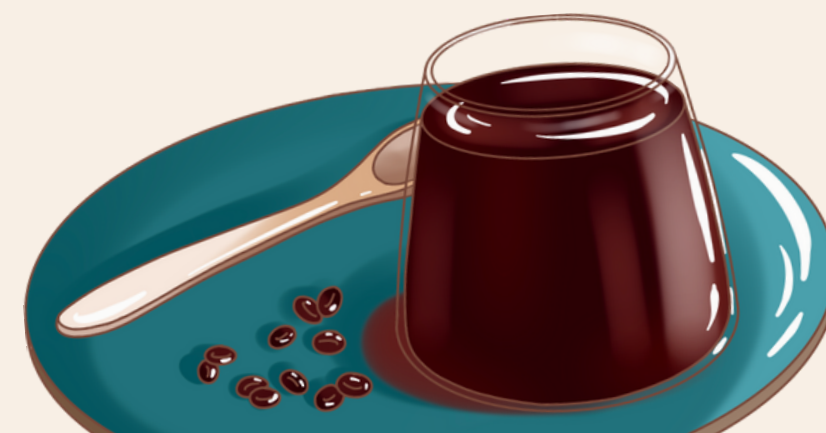

Objective

To revitalize Hunkies Cookies + Coffee through a data-driven strategy that improves product performance, strengthens marketing efforts, and enhances customer satisfaction. The goal is to boost brand visibility, attract new customers, and maintain competitiveness against local and global coffee chains.

SUMMARY OF RESEARCH

- The research used a mixed-method approach through an online survey (Google Form) and in-person interviews at the Taytay branch.
- Results showed that most customers discovered Hunkies through word-of-mouth (50%) and social media (45.8%).
- They usually visit in the afternoon, mainly for coffee. A majority (95.8%) expressed interest in a loyalty program. Common suggestions included: Expanding store space Adding more menu options and new flavors

BCG MATRIX

Stars

Coffee & Cookies – Best-selling items that drive strong sales and attract repeat customers.

Question Marks

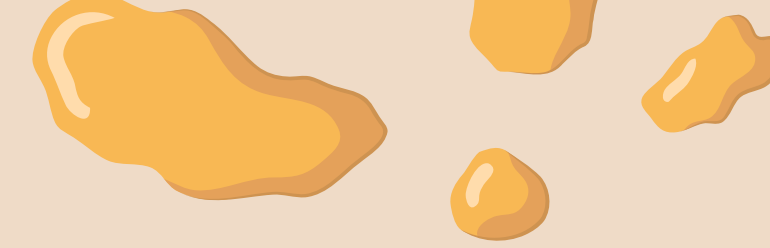

New Seasonal Products – Have potential but need stronger marketing and customer testing to grow.

Cash Cow

Drinks – Consistently profitable products with stable demand and loyal buyers.

Dogs

Limited Editions – Low-performing items that may need to be replaced or retired to optimize the menu.

SWOT Summary

Strengths:

- High-quality cookies & drinks
- Strong online presence
- Hybrid (physical + delivery apps)

Opportunities:

- Expansion to new branches
- Local collaborations
- Mobile carts for events
